COMMUNITY INPUT NEEDED ON STATE DOCKS ISSUE

PLEASE SUBMIT SUGGESTIONS TO THE BOROUGH ASSEMBLY AND COPY THE BOROUGH CLERK AT:

Assembly@petersburgak.gov and dthompson@petersburgak.gov

Copies of this questionnaire are available on the Borough website (www.petersburgak.gov), at the Borough Admin/Finance office and at the Harbormaster Office. Please complete, sign, and return to the Clerk's office either in person or via email.

1. Should the Borough accept the State's offer to take over the ownership and maintenance of the facilities on Entrance Island, Papke's Landing, and Kupreanof? *Yes*
2. The State is offering approximately \$700,000 of deferred maintenance dollars for all three facilities. If the Borough takes over the operation of these facilities how should the Borough spend this money? *Survey the three docks, take action to hold them steady. Not to rebuild brand new, but repair & hold steady.*
3. Please rank in order of importance, the three facilities? 1 being the highest priority, 3 being the lowest. *Unfair Question. Obviously, Papkes & Kupreanof serve the most people, but Entrance IS is also very important. The Borough wanted to absorb that area, it should accept the responsibility of a necessary facility.*
4. How should the Borough fund the repairs and ongoing maintenance on these facilities if they take over them? *This is Alaska, you have to be creative*
5. Would you agree or disagree with the following statements?

- a. The Borough should refuse to take Entrance Island **Strongly Disagree**
- b. The Borough should refuse to take Kupreanof **TAKE KUPF, then turn over to KP.**
- c. The Borough should refuse to take Papke's **DisAgree. Nonsense**
- d. The Borough should accept Kupreanof and then give it to the City of Kupreanof **Yes.**
- e. If the State makes it an all or nothing deal, the Borough should refuse to accept the State's offer **DisAgree**

f. The State should continue to own and operate these facilities. **Forget About it.
Those Days Are over.**

6. The biggest value for the Borough to own Papke's is:

SERVES LOWER END OF WYNNARW

7. The biggest value for the Borough to own Kupreanof is: **central to downtown Psbg, services,
Kpf & tourists, & students and is a treasure close to town,**

8. The biggest value for the Borough to own Entrance Island is: **Haines Borough owns Dock**

~~It serves Harbor at Pt Converden. It is used by hundreds of boats.
Fishing boats, Resident weekenders, tourist yachts. By the same
measure this entrance IS is important because it is the only~~
Additional Comments:

**Bombproof hole safe in any blow, and local
Psbg fishing boats run hours to get there to tie up while spring &
fall fishing. Locals who claim the Entrance IS never had their
ass hanging on a late dark windy night at the end of the earth.**

**They just don't know. That area, for as big as it is, has a real
shortage of safe, weatherproof anchorages or places to tie up to.**

**Psbg fought to gain control of that area, I never would have
been happy to have it. Now that Psbg has it, it pooh-poohs its
formal responsibility to do what is right & wants to pretend it has**

Please print name of person filling out form.

Date

No **Formal culpability to maintain a existing service to this area**
Thank you for your input!

**Also during election Mr. Wolhoder fell into the argument of "perchance
free loaders pay" for these facilities (^{users} Party). Kpf Dock has been there
since 1961. In 1961 I was 7 years old. All these docks are important
necesssary to commerce, safety, and protects in areas of harsh elements & tide.**
