- 4) How were the parcels selected for each urban corporation?*
- 5) Under the proposed organizational structure the SELC umbrella oversees the community non-profit boards. Will there be one community non-profit board or will each community have a board under the umbrella?*
- 6) Will the community non-profit boards be comprised of members that reside in the communities or can board members live elsewhere and be board members?*

B. Public Comment During Assembly Meetings

Attachments: [Robert's Rules of Order - Suspend the Rules](#)

Assembly Members Stanton Gregor and Tremblay requested this agenda item. During the COVID pandemic and due to no in-person public participation at meetings currently, the Assembly has been liberal on bending the agenda rules and allowing the public to speak via teleconference even if they have called in to the meeting after the Persons to be Heard agenda items have been opened and closed. Members Stanton Gregor and Tremblay would like to discuss adopting Robert's Rules of Order "Suspend the Rules" protocol in these situations. If a caller joins the meeting via teleconference to provide testimony after the Persons to be Heard agenda items, the Clerk would alert the Assembly and a motion could be made and seconded to suspend the rule that prohibits public testimony outside of the Persons to be Heard agenda item. The motion is not debatable or amendable, and in order to be adopted it would need a 2/3 vote in the affirmative. If the motion passes, the caller may provide testimony. If the motion fails, the caller will not be allowed to provide testimony at that time and would be encouraged to email the Assembly with their comments or call in to the next meeting in time to speak under Persons to be Heard.
