PETERSBURG BOROUGH SERVICE AREA No. 1 - BALLOT PROPOSITION

Proposition #2

**Reduction in the Boundaries of Borough Service Area No. 1 to Remove Frederick Point East Subdivision
(Assembly Ordinance #2021-08)**

Shall the boundaries of Borough Service Area No. 1 be reduced by removing the area known as Frederick Point East Subdivision, as demonstrated by ASLS 83-32 (recorded as Plat No. 84-5)?

A "Yes" vote means that the area known as Frederick Point East Subdivision would be removed from Borough Service Area No. 1. If this proposition is approved, Frederick Point East Subdivision would become part of the area of the Borough located outside of any service area (unless subsequently included within a service area).

A "No" vote means that the area known as Frederick Point East Subdivision would remain within Borough Service Area No. 1.

For year 2021, the area wide mill rate in the Borough was 4.1, and the Service Area No. 1 mill rate was an additional 7.4 mills (including debt service). If this boundary amendment is enacted, Frederick Point East Subdivision would be taxed at the area wide mill rate only beginning with year 2022 (unless subsequently included within a service area).

The amount of real property taxes for year 2021 imposed upon all properties within Service Area No. 1 totaled \$3,220,493 (including both the area wide mill rate and the additional Service Area No. 1 mill rate). The real property taxes imposed on properties located within Frederick Point East Subdivision accounted for \$14,465 of those total taxes (\$5,157 for the area wide mill rate and \$9,308 for the additional Service Area No. 1 mill rate).

In order to be enacted, this boundary reduction must be approved separately by both:

1. A majority of the voters who will remain within the boundaries of Service Area No. 1 after the reduction;
and
2. A majority of the voters residing in Frederick Point East Subdivision.
